

THE DALLAS LIMB RESTORATION CENTER

Richard G. Buch, M.D.

January 1, 2023

Dear Patients,

After nearly eleven years in our current Plano office location, we have made the tough decision to relocate our office. We will be relocating only six miles away from our current office to 4333 N. Josey Lane, Ste. 100B, Plaza II, Carrollton, Texas 75010. My practice and team will continue to provide the same services at this new location. This office location has plenty of close free parking, is located off the medical Pavillion lobby on the first floor, and has been completely renovated. Our new office location is located on the campus of Carrollton Regional Medical Center.

Our phone and fax numbers will remain the same. Any appointment scheduled after March 1, 2023 will be at our new Carrollton office. As of March 1, 2023 please come for your appointments to:
